Dear Sir,

With reference to my letter dated ~~20~~th Septbr 1930 & your remarks on Comptroller's letter No S.P.F.55. dated 8th Oct. 1930, I write to state that I am agreeable to invest the remaining amount at my credit in the provident Fund up to end of Septem 1930 with accrued interest (including anticipatory interest on the amount for which Loan Bonds have been purchased) - to the 5½% Loan. I made enquiries of the Comptroller if my proposal can be accepted ~~as~~ the G.O. on the subject ~~want~~ permits subscription of the amount at my credit in the Pr. Fund only up to end of June. The amount that will be available up to end of Septbr up to which recoveries have been made & anticipatory & other interest will work out about Rs 750. I request therefore that sanction may kindly be obtained for purchasing promissory notes in my name for this amount also. I have no objection to the retention of the bonds in the custody of the Comptroller until the date of my retirement.

Yours sincerely

K. R. Seshachar

Dear Sir,

I have applied for Subscribing to the Mysore Government Loan by utilising the concession sanctioned by Government in regard to advances of pay in G.O.No.Fl.1147-G.F.6-30-8 dated 15th August 1930.

If such subscription is made, clause 5 of Government Order referred to above permits further subscription to Provident Fund being discontinued.

AV.

I request therefore if there be no objection to invest in the loan bonds already applied, the Provident Fund at my credit and the balance amount in the same may be returned to me and my account closed.

Probably very small

How is this possible?

Yours sincerely,
V. R. Seshachar
